

# *Important Changes Coming Your Way*

As you've likely heard over the last several months, a lot of regulatory changes are occurring in the financial world. So that you understand how these changes directly impact you, we ask that you pay close attention to details shared with you by UnitedOne Credit Union. We want to be sure you're not surprised in any way!

We're working very hard to keep up with all the changes, and will communicate with you about them through a variety of delivery channels. Our goal is to provide clear communication and continuous, smooth service for you.

Thank you for your patience and understanding! As always, feel free to ask us any questions you have in person, by e-mailing us at [mail@UnitedOne.org](mailto:mail@UnitedOne.org), or by calling 684-0361 or 451-8222.
