

Wednesday, March 18, 2020

Hello UnitedOne Credit Union Members,

As we are seeing on the news, the COVID-19 pandemic has hit Wisconsin and communities across the state are working to contain the spread as much as possible. We are currently operating as a drive-thru only facility, and that is going to continue until further notice.

We will continue to follow the lead of the CDC and Wisconsin government and practice social distancing as much as possible. To that end, we have closed our branch in the Manitowoc Walmart SuperCenter. There is a Personal Teller Machine (PTM) at that location, which means a live teller is available from **8 a.m. to 7 p.m. Monday through Friday** and from **8:30 a.m. to 4 p.m. on Saturday**. You do not need to have a debit card to use the teller function. Just touch the screen and a teller will answer your call. Our PTMs are also full-service ATMs, which can be accessed by your debit card at any time.

We can be reached by telephone at **920-451-8222 in Sheboygan** and **920-684-0361 in Manitowoc**. We answer phones from 8:30 a.m. to 5 p.m. Monday through Friday and from 8:30 a.m. to noon on Saturday.

Thank you for your continued cooperation and patience as we all work to get through this together. We are committed to doing all we can to be there for you and your family during this time.

Kim Rooney,

CEO UnitedOne Credit Union
