Biometric Information

UnitedOne Credit Union will be collecting, storing, and using your voiceprint, to verify and authenticate your identity for any inbound calls. Your voiceprint may also be collected, stored, and/or used for testing, support, maintenance, and/or general operation of biometric storage devices and biometric authentication systems. UnitedOne CU will not disclose your voiceprint or other biometric data without your consent unless the disclosure is required by law, a warrant, or a subpoena. UnitedOne CU will permanently delete your voiceprint and any associated biometric data from its systems upon the earliest to occur of: (i) you opting out of UnitedOne CU's collection, storage, and use of your voiceprint; (ii) you terminating your membership with UnitedOne CU, or (iii) the passage of three years since the last use of your voiceprint authentication.
